PHONE ANIMAL (Full Time 4+ Years)

December 2021 - June 2025

- Conducted outbound cold calls to homeowners across targeted regions to identify potential sellers and generate qualified leads for a real estate agent.
- Built and maintained a consistent sales pipeline by engaging prospects, handling objections, and securing interest for follow-up.
- Researched and gathered lead information from online platforms such as Zillow, Realtor.com, Redfin, and property databases to identify new opportunities
- Accurately logged prospect data, property details, and conversation outcomes into CRM systems for streamlined follow-up and reporting.
- Supported the realtor in optimizing lead conversion by providing well-organized, pre-qualified prospects.

Telstra International Philippines Inc (Full Time 7+ Years.

NOV 2014- NOV 2020

- **Customer Service Representative**

Provided multi-channel support, resolving inquiries and technical issues with a customer-first approach and consistently high satisfaction ratings.

- **NBN Sales Advisor**

Assisted residential and business clients in transitioning to the NBN network, ensuring a smooth migration and clear understanding of service options.

- **Hijack Sales (Upselling)**

Recommended tailored upgrades and bundles based on client needs, boosting revenue and customer retention through value-based selling.

- **Outbound B2B Sales Specialist**

Engaged small to mid-sized businesses via cold/warm calls, promoting Telstra services and converting leads into long-term customers.

- **Inbound Sales Consultant**

Handled product inquiries, provided tailored recommendations, and closed sales while aligning offers with customer needs and budgets.

- **Customer Experience Analyst**

Analyzed call data to identify service pain points, contributing to improved scripts and workflows that enhanced customer and agent experience.

AUTHORS SOLUTIONS (XLIBRIS)

NOV 2013 - OCT 2014

- Conducted high-volume **outbound cold calls** to prospective authors, initiating conversations about their writing goals and gauging their readiness to publish.
- Identified leads at various stages of the writing process and qualified them based on interest, manuscript status, and publishing intent.
- Educated authors on available publishing packages, services, and timelines to build interest and trust in Xlibris as their publishing partner.

TELETECH- ANTHEM BLUE CROSS BLUE SHIELD

JAN 2010 - DEC 2011

- Handled inbound calls from healthcare providers and members, providing clear and accurate information about **benefits eligibility, coverage details, and plan guidelines**.
- Verified **member eligibility** and benefits in real-time to support medical decision-making and claims processing.
- Researched and communicated the **status of medical and hospital claims**, including approvals, denials, and required documentation.
- Ensured compliance with **HIPAA regulations** and maintained confidentiality in all member interactions.
- Resolved inquiries efficiently while maintaining empathy and professionalism, contributing to positive member satisfaction scores.
